

Steps for the Camera-Ready submission

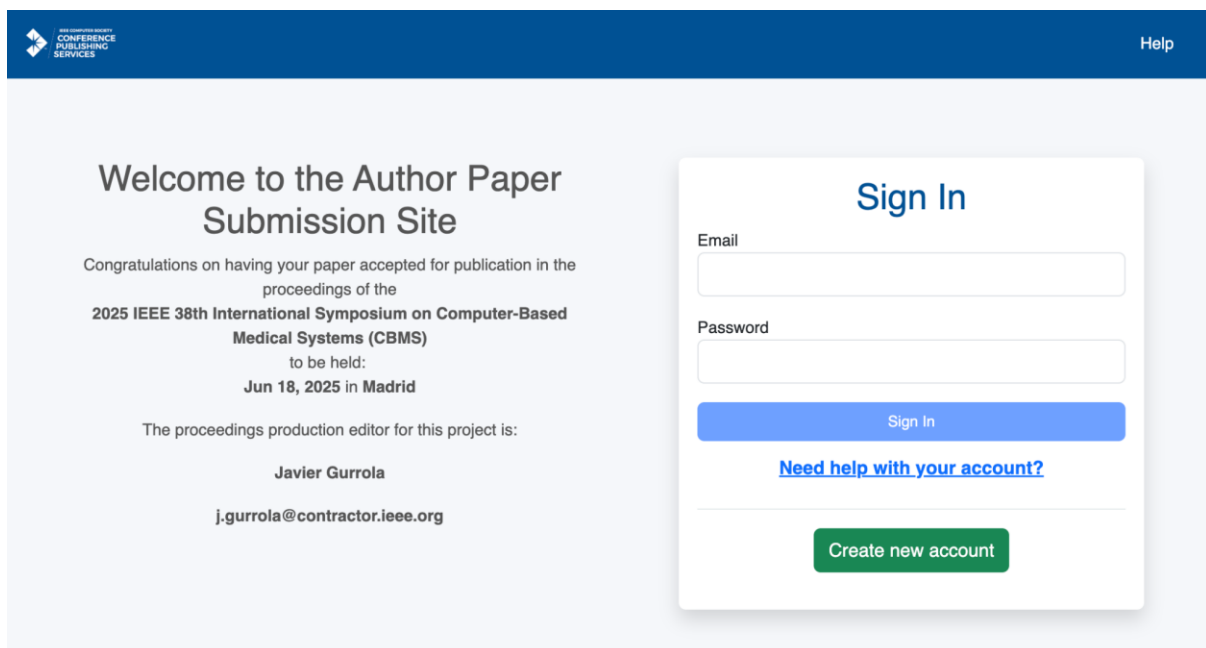

Once your manuscript is revised and formatted in the standard IEEE 2-column format, proceed to the camera-ready submission. Please, read the following instructions carefully before submitting your final manuscript.

Step 1. Go to the CPS system by clicking the following link:

<https://ieeecps.org/cps/v2/auth/login?ak=1&pid=2J9RAn1hbTPIAXTsXqiNzp>

This system will guide you throughout the process of submitting your paper to the IEEE Library.

Step 2. Log in to the system by clicking the “Sign In” button.

The screenshot shows the IEEE Author Paper Submission Site. The header is dark blue with the IEEE logo and 'Help' link. The main content area is light blue. On the left, a welcome message for the 2025 IEEE 38th International Symposium on Computer-Based Medical Systems (CBMS) is displayed, along with the production editor's name, Javier Gurrola, and email. On the right, a white 'Sign In' box contains input fields for Email and Password, a blue 'Sign In' button, a link for 'Need help with your account?', and a green 'Create new account' button.

Welcome to the Author Paper Submission Site

Congratulations on having your paper accepted for publication in the proceedings of the
2025 IEEE 38th International Symposium on Computer-Based Medical Systems (CBMS)
to be held:

Add Authors

Please list all authors by name, affiliation, and email. Enter the authors in the order they will appear in the paper. Author names and affiliations will appear in the printed proceedings and IEEE digital libraries as they are entered in this step and should match what is included on the submitted PDF file. **Please be sure to check your author information for accuracy before submitting.**

***All affiliations should only include the institution and country. Any other information, including Departments, should not be included.**

Examples:

- University of New Brunswick, Canada
- Microsoft Research, China

IMPORTANT NOTICE: Final author order is based on the submitted PDF file, going from the top left author to top right author, then moving down a row in the same order (left to right, top to bottom). Per IEEE Xplore requirements your author order should reflect this format. Any deviation will be overwritten in IEEE Xplore.

IMPORTANT NOTICE: Final author name and affiliation text will be determined by the submitted PDF file. Your metadata must match what is submitted in the PDF. Per IEEE Xplore requirements any deviations will be changed to reflect the submitted PDF file.

Step 7. In the next step, click on “Submit IEEE Copyright”.

The screenshot shows the IEEE Copyright Release form. At the top, there is a blue header with the IEEE logo, "Help", and a user email "user@email.com". Below the header, the page title is "Author Kit - Copyright Release" and the progress is "Progress (80%)". A "Previous" button is visible. The main content area is titled "Copyright Release" and includes a link for "Preparation Instructions". The form itself has a blue header "Copyright Release" and contains four input fields: "Paper Title" (with a red asterisk), "Publication Title", "Authors", and "Submitter Email". Each field has a placeholder text. A "SUBMIT IEEE COPYRIGHT" button with a checkmark icon is located at the bottom right of the form.

| Copyright Release | |
|-------------------|---|
| Paper Title * | Paper title |
| Publication Title | 2025 IEEE 38th International Symposium on Computer-Based Medical Systems (CBMS) |
| Authors | Authors |
| Submitter Email | user@email.com |

 **SUBMIT IEEE COPYRIGHT**

You must accept all the conditions that will appear after clicking on “Start”. After you have performed all the steps, you will receive an email indicating that you have completed the IEEE Electronic Publication Agreement.

Please note that all authors of accepted papers must transfer copyright to IEEE. If you do not complete the eCF form, your paper will not be included in the proceedings of IEEE CBMS 2025.

Please note that the IEEE policy requires that all accepted papers must be checked for plagiarism. Consequently, if your paper has a plagiarism issue, the publication chairs of IEEE CBMS 2025 will contact you to fix this problem before submitting the final version of the paper to IEEE.
